
SPEAKER

Zhang Fengbo 张风波
Chinese Economist, People's Republic of China

Zhang Fengbo, a leading Chinese economist, has helped the top Chinese leadership in promoting reform and open policy since the 1980s. As the first PRC citizen to receive a Ph.D. in economics from overseas, he introduced Western Economics to China for high-level decision-making. In 1986, he was a Senior Research Fellow at the State Council of China, heading major national research projects. In 1988, he was a visiting scholar at Harvard University. In the 1990s, he represented leading Japanese companies during the rapid investment boom in the United States and joined Fuji Bank. In 2003, he joined Citigroup as a Senior Vice President for Citibank Lending. He has published more than ten books and regularly speaks to the Chinese Government
